

DoCash 3040/ 3040 UV

DoCash

Your real value

Compact & easy to use

Modern economy-class banknote counter

Purpose

- Easy banknote count with authenticity check:
 - by size
 - by UV security features (DC 3040 UV model)
- Banknote count with total sum accumulation
- Batching (count of preset number of banknotes)

Advantages

- Easy to use
- Price-quality best ratio
- Automatic and manual start
- Different currencies count
- Count of banknotes of any quality (fit, unfit, soiled)
- Special guides in feeder for correct feed-on of banknotes
- Sound alarms for count and setup
- Suspect banknotes not included in total, this allows to exclude second count
- Variable batch size
- Reduced sound level
- Convenient handle for carrying
- External customer display included in complete set
